Did You Know...

That Affinity HR Group is ICA's endorsed HR provider? And that we can help you recruit for your next rock star employee for a fraction of the price of a typical recruiter?

We hired Affinity to recruit for a hard-to-fill position for us. They presented five good candidates - all of whom were as solid as our best performers!! We highly recommend them to anyone with recruiting needs.

And Affinity can ensure your HR practices and policies are compliant and costs a fraction of the price of other national providers, such as Paychex and ADP.

We hired Affinity HR Group to update our handbook. It was a great experience working with their team. They were quick, helpful, and affordable. I'd definitely recommend them to any ICA member looking for HR assistance!
